

Can Your Employer and Co-Workers Count on you

In today's workplace, we have people who come to work to work and others who come to work behaving as if they are doing the employer a favor. The purpose of the book is to help employer and employees see themselves as a team existing for the common goal of adding value to the individuals and the company that employs them. The book details how individuals, and corporations can plan and deliver mutually beneficial working relationships that move the company forward. Yes, not all employee and employer will often see eye to eye, but if you carefully examine your personal role as an employee, you will see how your hourly, daily, weekly and monthly careful planning could make a great difference in your personal life, your family and the company you work for. Yes, one person in a company can really make a great difference. Are you willing and able to be that employee everyone can count on?
