

## Run to You: A Guide Through Miscarriage

What if it happens to you? How will you respond? Some respond with little regard, others are devastated. Where there are multiple miscarriages, one can't help but wonder how to cope. Whatever shred of faith that remains is tested. Suddenly this suffering brings you to a crossroad: Will I run to God or turn away? In a world where newly expectant parents anxiously keep quiet and answers aren't available, Sarah Siu awakens trust and encourages a heightened awareness of where to turn in times of uncertainty. Run to You responds to questions like: Why am I crying? Did God let this happen? How can I make sense of suffering? How can I try again? What happens to this baby? Run to You offers a powerful testimony, biblical answers, guidance, and an opportunity to find healing in God's promises.
