

Fuel Your Business

Fuel Your Business is making the power of GOOD energy the driving force in business throughout the world. Human energy is the door of opportunity for business. As the demands of our connected world increase, people no longer have the energy they once had to be fully engaged, productive, and innovative in the workplace--leaving business leaders in search of a solution. Fuel Your Business is the solution. Fuel Your Business is about how to create a culture where people are energized, feel good and are happy. It's about how to create a business that's good for people, profit and the Earth all at the same time. Author Gina Soleil gives you a step-by-step roadmap for building a business that's fueled to win in today's market.
