

# LAUNCH IT NOW!: The Kick Ass Guide To Profitable Joint Venture Deal Making

Imagine sending out one email, or making one phone call, or mailing one letter - and generating dozens (or even hundreds) of sales, attracting a flood of new customers, and making a stunning windfall profit... quickly and easily! That's the potential in doing a good joint venture. Use these POWER JV secrets to launch your new product or service with a bang! LAUNCH IT NOW! is a power-packed ebook about arranging joint venture deals online that will EXPLODE your bank balance - quickly. In this report, you will learn the secrets taught by JV masters like Dan Kennedy and Jay Abraham, Marc Goldman and Chet Holmes, Terry Dean and Willie Crawford, to land partnerships that can bring you massive results rapidly. These are guys who have made MILLIONS from profitable JV deals - and what's in this report will let you tap into the same powerful systems and strategies that these experts have fine-tuned and perfected. Armed with this knowledge, you'll launch your next product to best-seller status effortlessly! You'll learn many effective strategies including

- \* the unique JV mindset that lets you approach potential partners in a way that multiplies your chances of landing a deal
- \* the only tactical move that will ensure you close one JV deal after another while your competition stops and stares at you in awe
- \* the most practical and logical places to look for your ideal partners and affiliates
- \* the most strategic ways to present your offer to JV partners - you'll be amazed at how effective it is
- \* the critical elements of a joint venture - and the critical precautions you must take to guard against being cheated or taken advantage ... and a lot more.

Everything is described clearly. Sample approach emails are included. Techniques that work wonderfully well are shared inside. You can read this ebook, plan your strategy, and set things in motion within 24 hours. It's The Kick Ass Guide
