Readers who loved the first three Colton Parker Mysteries will devour this latest entry in the fastpaced and highly recommended series. After closing a high profile case, Colton Parkers life is beginning to turn around. His detective agency has money in the bank, a growing clientele, and the relationship between Colton and FBI agent Mary Christopher is beginning to blossom. Things are looking up...until his daughter, Callie, vanishes. The search for Callie will lead Colton into a world he has never seen. A world where everything is wrong and wrong is right. A world where light is exchanged for darkness, and the truth is sacrificed for a lie. If Colton is to save Callie in time, he will need to confront evil where it dwells. A confrontation that will affect both father and daughter for all eternity.
