

Anatomy of the Soul

Since man was created in the image of God, each organ of the human body has a spiritual as well as physical meaning. This fascinating study uncovers the mystical connection between each aspect of the human body the skeletal and muscular system, the circulatory and respiratory systems, the reproductive system, and more and the Ten Sefirot, plus the five levels of the soul. Heighten your awareness of the awesome spiritual power you have at your fingertips, and in all your other limbs as well.
