

## Angry Waters

One day, fifteen year old Dan Malloy was standing in a Portland, Oregon juvenile court facing a judge; the next hes serving parole at a small family farm in the Columbia River Gorge. Dan learns to accept the eery quiet of rural life, but he cant get used to taking orders from the farms patriarch, Mr. Edwards. He doesnt take well to authority and rules, and thats just about all there is on the farm. Dan finds himself torn between his old, free life and this new reality life and death on a farm, a powerful river, and the kind of family hes never known.
