

Of Permanent Value: The Story of Warren Buffett/A Trilogy/2010 Edition/Three-volume set

This three-volume work is a fully revised and updated biography of investor Warren Buffett. It has 2,000 pages and 1,600 photos of which more than 200 are in color. The first of 360 chapters is about Berkshire Hathaway's largest deal ever -- the transformative purchase of Burlington Northern railroad. Buffett himself says of the book, Puny, but at least it's a start.
