

## Interventionism and Misery: 1929-2008

The Hispanic American Center for Economic Research (HACER) and the Fundacion para el Progreso Jean Gustave Courcelle-Seneuil of Chile, joined efforts to publish and promote *Interventionism and Misery: 1929-2008*? a book devoted to understand the nature of past and future economic crises around the world. With a perspective of Austrian economics, Axel Kaiser explains the causes of the Great Depression in 1929, the crisis that started in 2008, the role of statism in the road to ruin and the key importance of the gold standard and capitalism for a prosper future.
