

## The Maria Kannon (Large Print): A Brother Half Angel Thriller (Volume 2)

Luiz Kim, angry and unsettled since being kicked out of the Marines, decides to seek out the sister he has not seen in more than twenty-five years. He makes contact. But, after flying halfway around the world to Japan for an emotional reunion, he is stunned to learn that she has just been murdered in church, while at prayer. A killer is on the loose, and it is clear that he is targeting members of the small church community. But why? Luiz is determined to use his military background to hunt down the killer. And quickly it becomes apparent that the key is a mysterious card left at each murder scene a card depicting the Maria Kannon, a statue of a Buddhist deity that was once revered by persecuted Japanese Christians. As the stakes go higher and higher in this adrenaline-fueled thriller - second in the Brother Half Angel series - Luiz is forced to confront his notions of what it means to be alive. And whether he is ready to die.
