

Occupational Therapy Toolkit: Treatment Guides and Handouts

The Occupational Therapy Toolkit is a collection of 283 full-page illustrated patient education handouts that you can copy and give to your patients. The handouts are organized by 85 treatment guides and are based on current research and best practice. This 630 page practical resource is simply the BEST resource for every therapist working with physical disabilities and older adults. The OT Toolkit was written and illustrated by Cheryl Hall, an occupational therapist with 30 years of clinical experience. Currently in the 6th edition, it was revised and updated in August 2013.
