

Talk Fortune: The Next 5 Years

3 Biggest Predictions For The Next 5 Years and Having an Exit Strategy There's one thing all failing marketers have in common... they don't plan a single month ahead... let alone 5 years. Planning for 5 years can make the difference between broke and having \$50,000 weeks - so make sure you read this book right away. You will find out exactly what Jason Fladlien believes to be the big opportunities within the next 5 years - you should take note, he knows what he is doing! Jason Fladlien is a Master Marketer who made \$10 million before his 32nd birthday and Dr Mandy Kendall, is a seasoned business professional who interviewed Jason regarding the next 5 years. This book is the transcript of that interview. So get it now... How to knock out your 5 year plan immediately... and how this simple 5 minute exercise will help your profits today How to sit down and knock out your 5 year plan immediately... that will help you with your business today Case study: Jason's 5 year plan... See if you can swipe a thing or two from it immediately! (Hint: it's active vs _____ income!) What's going to be hot in year 2020 (and if you're smart, you're going to start working on this right now so that you have an edge...) The single biggest takeaway is... (read to the end of this book in order to not miss out on this golden nugget) And more! Get the book, Digest the Contents, Go To The Back of The Book - There Is More - Read About Jason Fladlien University - Then Take Action! Start by Investing in The Book.
