

Labor Relations, 11th Edition

For undergraduate and graduate courses in Labor Relations. A classic in the field of labor relations, Sloane and Witneys Labor Relations, 11/e provides students with a basic understanding of unionism in its natural habitat and a fundamental appreciation of the union-management process. It focuses on the negotiation and administration of labor agreements, and emphasizes the more significant bargaining issues. The text has been revised and significantly updated in response to recent developments in the labor relations field.
