

Developing Talent for Organizational Results: Training Tools from the Best in the Field

Praise for Developing Talent for Organizational Results Elaine Biech brings together some of the royalty of American corporations and asks them to share their wisdom in increasing organizational effectiveness. In 46 information-filled chapters, these learning providers don't just sit on their conceptual thrones; they offer practical advice for achieving company goals and the tools to make it happen. Marshall Goldsmith, million-selling author of the New York Times bestsellers, *MOJO* and *What Got You Here Won't Get You There* Recruiting, developing, inspiring, engaging, and retaining your talent are critical to the growth and success of all organizations. Developing Talent for Organizational Results is a rich resource that can help you cultivate your most precious resource. Tony Bingham, CEO & President ASTD and Co-author of *The New Social Learning* Hiring and developing talent is the area that I am most passionate about. . . . Developing Talent for Organizational Results covers all the important topics, uses multiple experts, and supports learning with ready-to-use tools to develop talent in your company. It is like having a million-dollar consultant sitting on your book shelf! Mindy Meads, former CO-CEO Aeropostale and former CEO/ President Lands End The best companies win with highly talented, highly committed employees hiring and developing the best talent is essential. In *Developing Talent for Organizational Results*, Elaine Biech brings together the work of many of the most renowned learning providers in the world all of them members of ISA: The Association of Learning Providers. Filled with a treasure-trove of consulting advice from The Ken Blanchard Companies, DDI, Forum, Herrmann International, Bev Kaye, Jack Zenger, and others, this book delivers the answers you want to improve leadership, management, and

communication skills; address training, learning, and engagement issues; and shape the culture and care for your customers to achieve desired results.
