

The Snail Cookbook

At last, a book that has all you need to know about collecting, cleaning and cooking the common garden snail: what toothsome revenge for the gardener! Here is a collection of delicious snail recipes from both the Spanish and French sides of the Pyrenees. First on the Spanish and now the French side, Walter Gunn has, for many years, made his home in the Pyrenean mountains where he indulges his passions for hunting good food, collecting the recipes and eating the results.
