

## Collected Papers of Sir Harold Jeffreys: Gravity

1974, hardcover (printed simultaneously in London, New York, and Paris, in English throughout), Gordon and Breach Science Publishers. This is volume 3 ONLY of a set of 6 volumes covering the collected papers of the writer, from 1915 to the present. This volume 3 covers the world of Gravity. Monumental 661-page hardcover epic title, with formulas, lists, tables throughout. Concerns the writings of a noted geophysicist.
