

## Color My Needlepoint (Predictable Results) (Volume 1)

Perplexed by color when it comes to needlepoint? This book gives you the information you need to conquer color question in your needlepoint. You'll learn the basic vocabulary of color, how color behaves in threads, six main color schemes and how to create them in your stitching, an easy way to create a color scheme and more. With examples from art and needlepoint you'll learn about the different types of color contrast and why they are important. Plus you'll see examples of canvases analyzed for contrast and color. Part of the Predictable Results series, these ground-breaking books give you the knowledge you need to get the results you want in your needlepoint.
