

Like My Murshed, Ive Seen No Other: The Amazing Experiences of A Great Sufi Mystic

This book is the collection of articles by Major (Retd) Ghulam Muhammad, a Sufi Master who has been practicing true spirituality for over 45 years. Translated from Urdu by one of his disciples, its a spell-binding account of the real-life incidents and paranormal occurrences that the author encountered while learning Sufism (Tasawwuf) from his spiritual teacher, Hazrat Maulana Allah Yar Khan (RA). A tribute to the authors Murshed (or spiritual teacher), this book includes fascinating accounts of different phases of the authors life, written in a style that absorbs the reader and describes the principles and practices of True Islamic spirituality. Highly interesting and easy to read, the book is an invaluable gift for those seeking purification and enlightenment through spirituality, and an engaging read for anyone interested in the mystic world. The most striking part of the book is that it is written by a contemporary Wali or Gods friend, and narrates astonishing yet verifiable and authentic knowledge about True Spirituality or Tasawwuf, as it is called in Islam. It dispels many myths and wrong practices associated with Sufism, and reveals knowledge that is rare and hard to find. If you like it, do come back and leave a review. Wish you happy reading!
