

The Cranberry Creek Gang in The Mystery of Lorenzo and the Runaway Wagon

Luke Robbins is a Christian teen with a desire for the truth. A strange object sticking out of the sinkhole in Cranberry Pond leads Luke and his best friend, Jake, to unravel a fifty-year-old mystery. They learn about Lorenzo Rodrigues, who was accused of setting fire to Dellsvilles Feed Mill and stealing a cash box full of money. During his getaway, Lorenzo drives his horse-drawn wagon wildly through the woods and, taking a wrong turn, plunges to his death into Cranberry Pond. Luke discovers Lorenzo was a man with true Christian character who was blamed because of his Mexican heritage. Luke begins to doubt the story. With his twin sister, Lara, and their friends, Grace and Jake, they are determined to find the truth. What really happened to Lorenzo? How did the ill-fated wagon end up in the sinkhole? Why is it showing up now, after fifty years?
