

## Beyond Seduction: A Return to Biblical Christianity

A revolution has begun. Some have hailed this revolution as a much needed purification of the Church. Others say that it will lead to a major schism in Christianity. Since the release of the bestselling *THE SEDUCTION OF CHRISTIANITY*, Christians everywhere have come face-to-face with this undeniable truth: we must be certain that what we believe is firmly based upon the teaching of God's Word. The only real remedy for deception and apostasy is a return to a true biblical foundation for Christian living. Hunt's book sounds the call for a return to the sacrificial life that Christ required and the abundant life He offers.
