

## Backseat Driver: Wit and Wisdom from Father to Son

Getting your teeth cleaned can be pretty humbling. The best-case scenario is that you follow a hillbilly. Such is the tongue-in-cheek advice doled out from father/author to son in Backseat Driver: Wit and Wisdom from Father to Son, a hilarious how-to (and how-to-not) guidebook by humorist Jeff Mudd. Written in a decidedly deadpan fashion, Mudd gives timeless tips and fair warnings to his two young sons (and most any son) on the mountains and molehills of life, spanning from grade school to early fatherhood. Jump into Backseat Driver... and enjoy the ride.
