

# 8 Bags of Mice

Meet Z.C. Christie...an ordinary suburban housewife with five nearly-normal kids, a workaholic Husband, various annoying phobias, and a propensity for scribbling random thoughts in old notebooks. When you open 8 Bags of Mice and enter her world, you will encounter observations on everyday events, expressed in her unique style...and enjoy memorable episodes from her slightly skewed family life, as related in irreverent, sometimes humorous, but always entertaining tales. She paints a vivid, yet down-to-earth picture of her family members and life in general, as only she can, with occasional sarcastic humor and a lot of heart...rather like an R-rated Erma Bombeck.
