

The Complete Career Makeover

Have you reached a crossroads in your career? Do you want to start your own business or go freelance? Would you like some easy-to-follow guidance on making a career change? In these times of economic uncertainty, it's natural to find the idea of switching jobs daunting. However, it is precisely during a downturn that shifts in the employment market can lead to unprecedented and exciting opportunities to try something new. Of course, there are major questions to be asked and considerations to take into account when you're thinking of changing career path - finances, time, age, family and location, to name but a few - and in this unique guide the Guardian's careers experts lead you through the employment minefield with clear and practical advice. Whether you need to retrain, are looking for finances to fund a new business or simply want to know the best way to move into a different role within your current company, this timely guide is packed with expert advice, personal case studies and contacts to help you give your career (and your life) and total makeover.
