

## The Guinness Record of the FA Cup

This record of football's oldest competition brings together details of all its 120 years to the end of the 1992/93 season, including a directory of every club to have played in the competition proper, from giant-killers such as Tooting & Mitcham United to giants such as eight-times winners Tottenham Hotspur. A season-by-season guide to the fortunes of all these clubs is accompanied by an overall statistical summary of their performances, and the book also contains a detailed review of some of the great moments - and some of the worst - in FA Cup history.
