

Forex Secret Trading Model: Tools, Timing, and Forecasting

Do you know why flower stores buy roses near valentines day? Yes, the market trend are roses and also good selling price in that period. Trend and price are the key factors in business and do not expect flower stores or any stores use technical analysis tools such as MACD, RSI, Stochastic, DMI, etc. to buy and sell products to customers, but why are we using technical analysis tools to buy or sell currency product in forex market? Market trend and price are the main tools in any business concept including forex trading. Technical analysis tools such as RSI, MACD, DMI, Stochastic, etc. are important but they are not the main tools, we are using them as second confirmation in forex trading. This book will present the combination of trend line, price and technical analysis tool which create a powerful trading model to catch more opportunities and avoid unnecessary disaster in forex market. You will see the forex market differently once you know the concept and understanding the trading model. -----
