

How to Become a Bartender: An Essential Guide to Becoming a Successful Bartender and Master Mixologist

If you want to explore bartending as a possible career, or you're simply interested in honing your skills as a cocktail mixologist, then this book is for you! Read on your PC, Mac, smart phone, tablet, or Kindle device. How many times have you watched a movie or a television show that left you yearning for the lifestyle of a bartender? If your desire to explore a career as a bartender is greater than mere curiosity, a series of practical questions has probably already begun formulating in your mind: How exactly do I get started? What credentials do I need? Do I need to be certified? Licensed? How can I get experience? Will I be able to find a job? How much money will I earn? Are there any possibilities for career advancement? What are the working hours like? How will my job as a bartender affect my personal and social life? All of these questions (and more) will be answered within the pages of this book, with specific focus on getting you extensively schooled on the ins and outs of exactly what it entails to become a successful bartender. Mastering the art of mixology will also be explored as an option to advance your career in bartending. So if you're ready to put some knowledge behind your curiosity, and give your bartending endeavor a real shot at success, let's get started! Here is a preview of what you'll learn... What Bartending Really Entails, Bartending Credentials Demystified, How to Get Certified, Landing a Bartending Job, Advancing Your Bartending Career and Finding Success, A Step Further: Becoming a Master Mixologist, Much, much more!
