

The Pink Book Forms of Contract Arbitration Rules, Fourth Edition - IChemE

Fully updated and includes changes necessary to make the rules suitable for international use - relating to the new International Red Book, Lump Sum Contracts - and to make them applicable to a Tribunal of three Arbitrators as well as a sole Arbitrator. Presents arbitration procedures for engineers and arbitrators engaged in disputes. IChemE, the Institution of Chemical Engineers, is the center for chemical, biochemical and process engineering professionals worldwide. We are the heart of the process community, promoting competence and a commitment to sustainable development, advancing the discipline for the benefit of society and supporting the professional development of members. Some of the areas we publish in include: -Safety in the process industries - the BP Process Safety series-Consultancy for chemical engineers-Project management in the process industries-Contract management in the process industries - International Forms Of Contract series-Communication skills for engineers
