

Kama Sutra Step By Step

For centuries, the Kama Sutra has been the benchmark for sexual advice and position guides. Now a new edition allows couples to explore its teachings to the full, with bold, step-by-step photography. Closely following Vatsyayan's original text, Kama Sutra Step by Step offers practical suggestions for modern lovers to strengthen their relationship and spice up their love life. Photographs take the reader through each stage in Vatsyayan's detailed instructions, while additional features offer variations and enhancements to allow couples of all levels of expertise to get the most out of every technique.
