

The Church Triumphant: English Churches in Watercolour

Released in July 2003 to commemorate the 50th anniversary of the Historic Churches Preservation Trust in England, this beautifully illustrated 10 x 10 book documents the discoveries of Alabama watercolor painter, Bob Moody. The 98 pieces of art attempt to draw attention to the many historic Anglican churches in great need of continuing maintenance and financial assistance. But the book also celebrates the remarkable history of England through the stories of parishioners and the survival over hundreds of years of their beloved churches.
