

Business Entities, 2009 ed. (Vol. 10, Virginia Practice Series)

This text is a convenient reference for basic information on Virginia corporations, including creation, dissolution of stock, maintenance, major transactions, and mergers. More than 100 forms cover such areas as drafting articles of incorporation, application for a corporate name, drafting minutes of the first board of directors meeting, doing business as a foreign firm, bylaws, and corporate charter. The publication also includes information on limited liability companies and business trusts.
