

Historical Sketches Vol. 1: Events in the Life of Rabbi Schneur Zalman of Liadi

HISTORICAL SKETCHES From the Diary of Rabbi Yosef Yitzchak of Lubavitch ..Now listen to my voice, and may G-d help you: Your teacher R. Moshe Binyamin has already taught you to write well, so beginning today, you should record on paper all that you see of your fathers conduct. In addition, if theyll tell you any story about the Rebbes or Chasidim, write them down. Hearing these words from his tutor, R. Nissan, at eleven years old, Rabbi Yosef Yitzchak Schneersohn, later the sixth Lubavitcher Rebbe, began what would become a cherished pastime: recording, in organized form, a detailed history of the Chabad-Lubavitch leaders, their students and followers. Drawing his material from documents as well as from unpublished sources, memoirs of participants and family members, such as his father, Rabbi Shalom DovBer of Lubavitch; his grandmother, Rebbetzin Rivkah, and from elder Chasidim whose company he kept in his youth, Rabbi Yosef Yitzchak wrote prolifically, chronicling for posterity the rich tradition of his forebears. In his later years and beyond, some of these memoirs were published, in Hebrew and Yiddish, in his books of talks, discourses and letters, and partially collected in his Lubavitcher Rabbis Memoirs. *Events in the Life of Rabbi Schneur Zalman of Liadi*, focuses on a number of crucial events that took place during the lifetime of the founder of Chabad, as well as describing his approach to the communal and social affairs of his day. Like many of Rabbi Yosef Yitzchaks discursive writings, it has the formality of reminiscence and attention to detail, portraying a masterfully written account of the era in which Rabbi Schneur Zalman was laying down the foundations of the Chabad-Lubavitch Movement. This first installment of *Historical Sketches*, focuses on the organizational skills of the Chabad-Lubavitch leaders, describing their

far-reaching efforts on behalf of the social and communal well-being of their brethren, beginning with the founder of the movement, Rabbi Schneur Zalman of Liadi, known as the Alter Rebbe. Penned by Rabbi Yosef Yitzchak Schneersohn, sixth Lubavitcher Rebbe, this monograph describes the process with which Rabbi Schneur Zalman imparted to his earliest followers the basic tenets of his newly developed Chabad philosophy, and tells of the challenges faced by Rabbi Schneur Zalman from two main camps that opposed the growing Chasidic movement: the Mitnagdim and the rising Haskalah (Enlightenment) movement.
