

## The Labyrinthians (Volume 1)

When Kimberlys father loses his job and it looks like her whole family will be homeless, a mysterious old benefactor saves them by leaving his mansion to them in his will. However, their new house, with its history of spooky happenings and disappearances, is not all it seems. When Kims little brother goes missing, its up to Kim and her new friend, Nate, to find him. The problem is... When they do - who will find them? The first in a new YA series, The Labyrinthians begins a story of adventure and of terror and finding yourself when everything else seems lost.
