

The Virtual Assistant - How to Create, Fill and Sustain a Virtual Assistant Practice

Welcome to the new and exciting world of Virtual Assistance. This Book will introduce you to this rapidly expanding home-based business. You will learn in the following pages the basics of this business, how to get started, how to attract clients and how to grow your business. We do not guarantee success. Only you can guarantee your success through perseverance, confidence in yourself, hard work and the belief that you can succeed. Being a Virtual Assistant is honest work, is not a get rich scheme and it does take time to build a viable business. An evaluation questionnaire is included in this booklet to help you assess your interest and skill level before you decide to invest time and money in making a career of being a Virtual Assistant. Being a Virtual Assistant (VA) or Online Business Manager is the most rewarding career I've had with so many wonderful clients.
