

Marijuana Business: How to Open and Successfully Run a Marijuana Dispensary and Grow Facility

How to open and successful run a Marijuana dispensary and grow facility Finally, a book that helps entrepreneurs young and old on their journey of finding the American Dream. Is this the new Gold Rush? Will people want to get involved with this industry? What are the potential for earnings . . . millions? Billions? As more states agree to the sale of marijuana, the opportunity to open dispensaries and/or grow facilities will continue to rise. Over the last two decades, large corporations like Monsanto, a sustainable agricultural company, have bought up hundreds of family farms and turned their food harvests into huge profits. It is not a stretch to envision the same tactics being applied to the marijuana industry. The opportunity is here, and its real, and the possibilities are endless. This book is a step-by-step guide to help you be on the winning side of this Green Rush. The Marijuana Business books leave no stone unturned. This book will teach you what others have yet to learn. Jeff Grissler will put you on the fast track to success in the marijuana business. The American dream is still possible. Your journey starts here Visualize, dream, plan and organize your new business venture Assess and pick the right locations Select your legal and financial teams Navigate through the entire legal process Find the money or capital that you will need to finance your new business venture Learn how to put a business plan together Design a dispensary and grow facility Learn how to grow marijuana Hire the right staff for your business Learn about Air tight Security And, everything else you will need to own and operate a profitable marijuana business Marijuana Business enables you to be sure you dont forget any details. With this book you will have laid the groundwork, from start to finish, for eliminating the mistakes others have made, preventing unforeseen problems, and running a successful marijuana business.
