

MINI SERIES. PART 2. THE ESSENTIAL MAXIMILLIEN DE LAFAYETTE. The Official Anunnaki Ulema Textbook for the Teacher and the Student. (The Road to Enlightenment and Ultimate Knowledge)

Part 2. This mini-series of 14 parts, each approx.110-130 pages is taken from the massive 2 volume set (Vol.1, 704 pages), (Vol. 2, 740 pages). It was created by a popular demand, since many readers found it unpractical to carry 1,444 page 2 volume set wherever they go. They suggested to our editorial board to break it into 14 small parts, easy to carry, browse and read at the gym, on the train, and other places. We obliged. You can always purchase the two mega volumes separately. THE ESSENTIAL MAXIMILLIEN DE LAFAYETTE is a synopsis of the 200 books, the author wrote on the subjects of the Anunnaki, the afterlife, the supernatural powers of the Anunnaki Ulema, the paranormal, the occult, parallel dimensions, multiple universes, the Conduit, the Supersymmetric Mind, the Double, the Astral Body, communications with spirits and entities from the world beyond, the power of the mind, mediumship, channeling, the enlightenment, the Fourth Dimension, the Fifth Dimension, Earth energy, healing, the world outside time and space, extraterrestrials, time-travel, reading the future, and similar topics. This is NOT a repetitious book. It was intentionally compiled from the most important concepts, theories, esoteric techniques, wisdom, Eastern philosophy, the world of the mystic seers The Ulema, and particularly the teaching of Maximillien de Lafayette. The original format/edition consists of 2 massive volumes, each exceeding 700 pages (50 MB). This manual is also the Official Anunnaki Ulema Textbook for the Teacher and the Student. De Lafayette wrote more than 800 books, 200 of them are in these fields. Consequently, it is quasi-impossible for the readers to purchase all these books, in order to find the subjects of their interest. Thus, we condensed the most pertinent and important concepts, teaching and

revelations in one single series. The present work contains knowledge, techniques and revelations, no other author has ever discussed, simply because they emerge from the teachings of the authors Enlightened Masters and his own philosophy. Add to the fact, that no other author or researcher has ever approached these topics, simply because they were brought to the West, for the first time in history, from the authors own vision and perspective. You will NOT find the material of this book in any other work, and/or in any library. No one can claim that this book was inspired by or based upon any existing published book. It is a journey to new dimensions, and analysis of the physical and mental worlds as interpreted personally by the author. By Dina Vittantonio, Editor.
