

# Oxytocin: The Hormone of Healing and Hope: The Hormone of Healing and Hope (Volume 1)

When his son was killed in a train accident in 2007, Dr. Stoller discovered the effectiveness of the hormone oxytocin in treating pathological grief. Now, you can benefit from his personal experience, extensive research and the sharing of this vital and life-changing information. Dr. K. Paul Stoller has compiled his personal experience, research and knowledge into his informative new ebook OXYTOCIN: The Hormone of Healing and Hope. Learn how oxytocin is revolutionizing the treatment of addictions, autism, sexual dysfunction, cancer and acute grief.
