

Stop Dressing Like an Amateur to Your Interview!: How to Dress for Success and Land Your Dream Job

Have you ever made it to a final interview, only to find out in the end you didn't get the job? Chances are you had the right credentials and skills, but how you dressed left a negative impression on the hiring manager! Have you ever wondered what the hiring manager thought of you during the interview, or what their initial impressions of you were? They made those impressions within the first 5 seconds of meeting you, and knew within 60 seconds if you were the right candidate for the position! Stop Dressing Like and Amateur to Your Interview will teach you exactly how to dress for your interview so that you can land the dream job you deserve! This book covers the key business attire and fashion etiquette that is expected when interviewing at a Fortune 500 firm, which includes the correct way to wear the following: 1. Suits 2. Dress Shirts 3. Ties 4. Belts 5. Socks 6. Shoes 7. Accessories 8. Grooming In addition, each chapter has a concise summary checklist for each item of clothing for those who don't have time to read the entire book and need a quick reference guide on how to dress for their interview! After working on Wall Street and being involved in the hiring process, I can attest that we have turned down multiple Ivy League business grads in favor of candidates from state universities due to how each presented themselves during the interview. If you're looking for the #1 Guide on how to properly dress for an interview, look no further than Stop Dressing like an Amateur to Your Interview!
