

# Rethinking Retirement - How to Create the Life You Want Without Waiting to Retire

Most of us dream of retirement as the time in our lives when we'll finally be able to do what we've always wanted to do - but why do you have to wait? Rethinking Retirement helps you create the life you want now. By challenging traditional notions of how our lives are supposed to go, former financial advisor Keith Weber offers a new path for creating freedom, balance, purpose and passion in your life. Recounting his own wake-up call experience as well as those of many of his clients, Keith will help you: Recognize your true priorities. Define a clear vision of the life you want. Recognize the true role of money in your life. Use the financial and personal resources you have to make that life real. Rethinking Retirement is packed with engaging stories, insightful self-discovery exercises and practical, down-to-earth financial education and advice. For the next generation of retirees and those already retired, Rethinking Retirement will help you create a richer and more rewarding life.
