

Sanctuary: The Shamanic Art of Sacred Space: Workbook 2 (Volume 2)

Never before has sanctuary been more needed or harder to find than today. In our world of rapid change where chaos rules stress related illness is at an all-time high. We have lost our center and with it our well-being. We all need a place of safety and beauty to buffer the outside world in which to rest and heal. Without sanctuary, our spirit languishes and we lose our ability to create and manifest in our lives. Sanctuary was written by Gwilda Wiyaka CSI, founder and director of Path Home Shamanic Arts School as a text to accompany the Schools Shamanic Sacred Space classes. The easily understood principles and techniques found within give the reader step by step instruction on creating sanctuary for the home or workplace. This book is a must read for anyone seeking peace and empowerment.
