

Soar to Greater Happiness: Learn the Secret behind Emotional Intelligence (EQ)

Soar to Greater Happiness Learn the Secret behind Emotional Intelligence Learning the secrets to emotional intelligence will have a profound affect on all your relationships and will help you achieve greater happiness and success in your life. Emotional intelligence (EQ), at one time, was defined as a sub-set of social skills. Today, EQ includes defined attributes and specific skills (including social skills) that anyone can learn and master. This book will not only help you to understand EQ, it also provides you with detailed instructions on the basic techniques that you can begin immediately. The end result is increased happiness and more fulfilling relationships. This book opens your eyes to the skills involved with increasing the depth in your relationships. This leads to greater happiness and success in your life, however you may define success. If you are searching for deeper relationships and a more fulfilling life, order your copy of this book now so you can get started on learning the invaluable skill of EQ today.
