

Franchise VS Start Up: What To Look Out For When Buying A Franchise

At the beginning of the interview, you'll hear how Art got started in franchising in the mid 1960s. Since then, he's been both a franchisee as well as a franchiser. This audio is a goldmine for anyone who is considering buying a franchise! Art gives a down-to-earth, honest opinion of each question. You won't want to miss listening to how his years of experience have truly made him an expert in franchising. Here are just a few of the questions: - Why should a person consider buying a franchise as opposed to buying an existing business? - What type of person should buy a franchise and why? - What type of person absolutely shouldn't buy a franchise? - Are there federal regulations to prevent fraud in the franchise business? If so, where can I obtain information on this subject? - If I'm set on buying a certain franchise, what types of research should I do before making my final decision? - Do all businesses charge their franchisees monthly franchise fees? Are franchise fees regulated by the government? What do I get in return for paying the fee? - Is it wise to start my franchise in virgin territory? This would be some area of the country where there are no other franchises like mine. - How many hours per week will I have to spend when I'm first starting up my franchise? - Is buying a restaurant franchise, such as McDonalds, a good idea? - Do I have any recourse against the parent company if my franchise is a failure? Art doesn't pull any punches when it comes to telling it like it really is! I know that you will enjoy this 40 minute interview that contains such a wealth of information about franchising!
