

Talent is Just the Beginning - an artists guide to marketing in the 21st-Century

A marketing guide for artists with timely information on the business of art, accessing the global marketplace, pertinent laws, copyright, websites, approaching galleries, alternative spaces, winning portfolios and more. Specific marketing strategies are outlined, such as how to get a free website now! The digital world has opened up extraordinary opportunities for artists to put their work in front of collectors and dealers. Now is the time to assimilate the tools necessary! A practical and invaluable guide for every practicing artists library.
