

Mysterious SIGNS Of The Torah Revealed in LEVITICUS (Volume 3)

Dr Akiva Gamliel tackles difficult subjects and confusing doctrines head on throughout Mysterious SIGNS Of The Torah Revealed In Leviticus. Religions outside of Observant Judaism teach different flavors of pseudo doctrines about Offerings, Sacrifices, Tributes and Tefillah / Prayer. They have confused their followers with these teachings. This results in serious misunderstandings. Reading this book helps the People of Israel to understand the background behind why other religions believe and think the way they do. For those in these religions outside of Judaism Dr Akiva Gamliel clarifies the roots and reasons for these misunderstandings from a sound Biblical position. He Teaches one should live a righteous life. Yet, if they fail how to repent and receive forgiveness. Early in the book Dr Akiva Gamliel discusses the separation of The High Priest, The Priests and The People of Israel and the Observances that are intended to separate The People of Israel from everyone else. The purpose for offering these discussions is to help those who are Jewish to realize the great importance of their responsibilities to The Lord God and to humanity. The purpose is to also educate non-Jews to the why it is absolutely necessary for The People of Israel to follow the Observances of Ha Torah. Dr Akiva Gamliel explains in this book the very huge impact that would result if all The People of Israel all of the sudden stopped Observing the 613 Mitzvot of Ha Torah. I like the way in which Dr Akiva Gamliel reaches out to the non-observant People of Israel as well as to those who are not Jewish. His purpose is to encourage all The People of Israel regardless of where they are at to Observe Ha Torah. His purpose is to deliver a message to those who are discomforted with where they presently are. He specifically reaches out to those desiring to be Jewish. Dr Akiva Gamliel

discusses why they may feel this restlessness in their souls.
