

The Beginners Guide to Writing Knitting Patterns: Learn to Write Patterns Others Can Knit

Create custom knitting patterns to share and sell! Writing clear, easy-to-follow knitting patterns is easier than you think! In *The Beginners Guide to Writing Knitting Patterns*, knitting expert Kate Atherley provides everything you need to know to share your projects with fellow knitters. This one-stop guide includes concrete guidelines with lots of examples on everything from pattern writing basics, to schematics and charts, to handling multiple sizes, establishing a personal style sheet, and more. The book addresses the details of how to create complete, clear and easy-to-use knitting patterns, for any type of design, and for any level of knitter. You'll also find details on: Pattern structure and elements Formatting and layout How to go from test knitting to a final publication Online platforms, processes, and good business practices An introduction to important copyright laws A basic pattern template and resources are also provided. Whether you're looking to share a project with a close friend or your growing online customer base, *The Beginners Guide to Writing Knitting Patterns* is the comprehensive guide that can help you translate your project into a set of instructions that any knitter can follow.
