

Welcome to the Club: 100 Parenting Milestones You Never Saw Coming

From the comedian behind the popular parenting blog The Ugly Volvo comes a refreshing spin on the baby milestone book. Instead of a place to lovingly capture the first time baby sleeps through the night, this book shows what its like the first time baby rolls off the bed/sofa/changing table, leaving mom or dad in a state of pure terror (it happens). These 100 rarely documented but all-too-realistic milestonessuch as First Time Baby Says a Word You Didnt Want Her to Sayprovide comfort, solidarity, and comic relief for new parents. Laugh-out-loud relatable text and distinctive paper-cut illustrations of these bad parenting moments make this a must-have book for anyone entering the mysterious club of parenthood.
