

MAP: The Co-Creative White Brotherhood Medical Assistance Program

MAP is a comprehensive medical program for humans that addresses our general health; any specific illness, disease or condition; injuries (serious or small); our mental health; our emotional health; and our overall well-being. As a program, it couldn't be more simple. With MAP you have high quality medical assistance any time day or night. This new third edition of MAP offers refinements that include: * Adding ETS Plus to the process steps as an option. * Updating the Calibration Process and MAP. * Expanding the kinesiology instruction, including adding photographs. * Updating the Emergency MAP, Childrens MAP and Professional MAP instructions. * Updating the presentation to make it easier to use the MAP book as a reference guide. For folks with the second edition, it is well worth upgrade!
