

Moses Becomes a Man: Part One: Moses in Egypt

MOSES BECOMES A MAN tells the Biblical story of Moses from the point of view of a young, clever teenager awakening to the world around him. With humor and unexpected turns, we follow Moses on his adventures in the Pharaohs palace and the city of slaves that bustles beyond the palace walls. A coming of age tale that combines a spiritual journey with an epic story of emerging political consciousness, MOSES BECOMES A MAN is about taking risks, standing up for what you believe in, and learning to make sense of the complexities of birth, destiny, and responsibility.
