

The Water Castle: An in-depth look at Rebbe Nachmans classic story within a story

The Water Castle is one of the most intriguing images of Rebbe Nachmans classic story, *the Seven Beggars*. Equally intriguing is the hero of this story within a story, the Beggar With No Hands, who is able to penetrate all ten walls of water and save the Princess within. But Rebbe Nachmans goal in telling this story is not just to entertain. What is the real meaning of the Water Castle? Reb Noson, the Rebbes main disciple, unlocks the mystery in his original teachings based on Torah and Kabbalah. In classic Breslov fashion, Reb Noson takes in the sweep of time from the act of Creation all the way to the present, showing us how the secrets of the Water Castle impact our own lives today.
