

Master Management Consulting Interview: Full version: Rigorous guide

Master Management Consulting Interview is a rigorous guide providing instructions on how to succeed during interviews with top-tier firms. Compared to all other materials, the main value added is achieved by a highly structured approach for both core interview phases: personal fit and business case. The publication not only grants an exhaustive volume of resources, but also teaches you how to approach cases in a structured manner. Guide provides ordinated and visualized information on:

PERSONAL FIT: Criteria for capabilities on which you will be assessed
Requirements on structure and content for stories demonstrating the capabilities sought
Directions of how to build successful stories
Examples of successful stories

BUSINESS CASES: General approach of how to solve a case
Set of 11 case types, each including:
Framework (key building blocks for solution or considerations to make)
Expected output, sense checks for your solution and typical pitfalls
Real-life examples demonstrating usage of the suggested framework

Additionally, we provide a complete checklist of tasks to be performed before the interview and tips on how to come up with insightful questions during the Q&A part. For complete table of contents of the publication as well as more information on management consulting recruiting process, please see www.masterconsultinginterview.com. By purchasing this publication, you are supporting education of children in developing countries.
