

The Wisdom of Water

Exploring the many beautiful and mystical aspects of water, this is an inspirational and moving collection of stories, facts, poems, legends, and insights concerning that most essential of elements. From the healing waters of the Sukayu in Japan to the legendary Golden Lotus tank at Madurai, this is a complete look at the worlds most sacred waters and their significance to mankind. The rituals and worships past and present associated with water complete this stirring celebration of the essence of life.
